INTRODUCTION

It is our joy to have a church school ministry that provides a quality Christian education. We believe that God has a wonderful plan for every child's life. Our entire school staff is dedicated to helping each child reach his or her greatest God-given potential.

We believe that well-educated Christian youth will have a great influence on our future communities and nation. It is our prayer that these young people will not only learn how to be successful in this world, but will come to know Jesus personally and experience the joy of serving Him.

-PCA Administration

OUR PHILOSOPHY

Education is the instruction of truth. We believe that the Bible is the true revelation of God to mankind. These Bible truths of God and His son Jesus Christ must be the foundation for the education of children.

The Bible tells us that all the treasures of wisdom and knowledge are hidden in Christ (Col. 2:3), and that wisdom comes from God (James 1:5). Therefore, each child needs to know Christ, and Christ must be the primary consideration in every area of educational study. These Biblical principles and Godly values are essential for the future success of every child both in this life and in eternity.

Parents are given the ultimate responsibility for teaching their children in the ways of God (Duet.6:6-7). Our school seeks to be partners with parents to provide a quality Christian education that will encourage each child to grow academically, socially, physically, spiritually, and to reach his or her greatest potential.

STATEMENT OF FAITH

WE BELIEVE IN THE FOLLOWING:

1. The inspiration of the Bible, equally in all parts and without error in its origin;
2. The one God, eternally existent Father, Son, and Holy Spirit, who created man by a direct immediate act;
3. The pre-existence, incarnation, virgin birth, sinless life, miracles, substitutionary death, bodily resurrection, ascension to heaven, and the second coming of the Lord Jesus Christ;
4. The fall of man, the need of salvation by the operation of the Holy Spirit on the basis of grace alone, and the resurrection of all to life or damnation; and
5. The spiritual relationship of all believers in the Lord Jesus Christ, living a life of righteous work, separated from the world, and witnessing of His saving grace through the ministry of the Holy Spirit.

EXPLICIT GOALS

1. Be an extension of the training process of Christian families.
2. Provide role models for students by employing born again teachers.
3. Teach Christian principles for daily living through curriculum, textbooks, Bible classes, sports programs, fieldtrips, and extracurricular activities.
4. Uphold and integrate Christian values in all aspects of the school including curriculum, all classes, sports programs, fieldtrips, and extracurricular activities.
5. Provide leadership opportunities to the students.
6. Maintain an atmosphere of Christian love. Students will be encouraged to love one another and have compassion for one another.
7. Provide activities and programs to promote joyful and happy social and emotional development.
8. Lead students to trust Christ as Savior and teach them to share Christ with others.
9. Provide quality academic assistance and instruction to help students achieve their highest potential.
10. Provide opportunities for students to have a well-rounded education, including programs such as, athletics, art, and music.
11. Teach students in a loving manner to be orderly, goal oriented, and well disciplined.
12. Teach Christian citizenship in a free society with a democratic republic form of government.
13. Provide proper care of equipment and facilities to exemplify good stewardship and beauty; and to promote health and safety.
14. Develop a plan for regular evaluation and review of all program components.

CHRISTIAN SCHOOL BENEFITS

There are many benefits for a child who attends Parkview Christian Academy. Throughout the tenure of PCA, parents have said, "We could never repay what the school has done for our child." Although all the benefits cannot be listed, three of the major benefits are listed below.

1. The Bible is freely taught. Children are taught to love and respect God and His Word. They learn that the Bible and Christian values relate to every area of their life. They are shown that God gives us some absolutes by which to live. They memorize portions of the Bible as a guide through life. Often children come to know Jesus as personal Savior and will therefore have eternal life.
2. Quality education is given. Students get individual attention and encouragement. The basics of reading, writing, and arithmetic are emphasized.
3. Students reach their greatest potential in social development. In a Christian atmosphere, students are free from excessive ungodly peer pressure and therefore relax and prosper spiritually and socially. In smaller schools, students usually make more friends and teachers can offer one on one counseling and encouragement.

SCHOOL BOARD

The school board meets once a month with the administrator to review the general operations of the school. They assist the administrator in a resource and advisory capacity in establishing and enforcing school policies. The school board is a decision making body over the finances, staffing, and direction of the school.

ADMISSIONS POLICY

Parkview Christian Academy attempts to serve the entire city of Waco and closely surrounding communities, accepting those with average and above average abilities. Generally, children with learning disabilities are not accepted as we are unable to make accommodations for students with special needs. Those who have demonstrated serious conduct violations are not accepted. To be admitted to grades 1st through 8th, all students must take a diagnostic test for the grade in which he/she is enrolling for and acquire results that reflect academic success is probable. This school is an accelerated learning school, in which all students work on their own individual academic plan. Self-discipline and a healthy dose of self-motivation is necessary for success. The school admits student of any race, color, and national or ethnic origin.

Parkview Christian Academy (PCA) is a ministry arm of Parkview Baptist Church (PBC) Waco, Texas. As a ministry arm, PCA has the same goal and objective of presenting the Gospel of Jesus Christ in all things, and living out the commands, morals, and precepts of the Bible. PCA is governed principally by the Bible, God's Inspired Word for Christian living and life, and secondarily by the Constitution and By-Laws and Statement of Faith of PBC. Because of this, if PCA administration feels for any reason that a students enrollment would not be in the best interest of the student or their family, enrollment may be denied

For all grades, the school requires that a parent and student be members of a local Christian church as evidence that the parents are also actively working toward a Christian training of the child. Students and parents are expected to attend a Bible-believing church regularly.

ADMISSIONS PROCEDURES

1. Fill out the enrollment form completely.
2. Read the handbook thoroughly.
3. Bring the enrollment form, application fee, recent grades or transcript, achievement test scores, immunization record or exemption certificate, and a copy of the student's birth certificate to the office.
(As of 7/2019, all new students must be immunized according to the Texas Minimum State Vaccine Requirements)
4. The parents and student make an appointment to interview with the school administrator.
5. The school board will then review all enrollment information.
6. Shortly after the interview, parents will be notified of child's approval, non-approval, or placement on the waiting list.
7. Upon notification of approval, the non-refundable, registration fee is to be paid to complete the enrollment.

STANDARDS OF CONDUCT

Parkview Christian Academy expects students to conduct themselves properly as Christians and as good citizens at all times.

It is important for each student to be continually aware that he or she represents Parkview Christian Academy wherever he or she happens to be. This means representing his or her parents, church, and most importantly the Lord Jesus Christ.

Good citizenship includes an appreciation of American heritage, a sense of patriotism, and pride in service to the school, church, community, and family. It means having a sense of worth as an individual, showing respect for the rights and property of others, showing helpfulness and courtesy, and showing respect for a lawful society by adhering to lawful practices.

Parkview Christian Academy expects each student to strive to obey all its rules and to practice in daily life outside the classroom all that is being taught inside the classroom.

The school proposes a few very specific rules, because some guidelines are needed. When these guidelines are violated, the student will be disciplined. He or she may be disciplined for misconduct not specified in these rules because it is impossible to list all rules necessary to cover every situation. An attempt to do so would prevent the development of right decision making ability by all students.

Students are developing good citizenship and Christ-likeness when they accept counseling and disciplinary action with a sense of determination not to let the unfortunate experience occur again.

The school also expects parents to support the school in administering its disciplinary program. The consistent enforcement of a fair disciplinary program not only insures a better academic climate, but also helps develop a sense of responsibility in our students. The school and home work together to produce graduates who are happy and later become constructive adults. Real love for children is demonstrated by firm yet loving discipline rather than permissiveness.

Different methods of correction may be prescribed by the principal for different students who may be accountable of committing the same offense. The reason for this is that punishments are cumulative. That is, a student who has been responsible of several previous offenses will be punished more severely than one who has committed his or her first offense. Also each offense must be evaluated as to the intent of the offender and the circumstances.

Students are expected to act in an orderly and respectful manner, maintaining Christian standards of courtesy, kindness, purity, morality, and honesty.

Students should demonstrate respect for teachers, staff members, other students, parents, visitors to campus, and others at or away from school. Students must strive toward unquestionable character in dress, conduct, and attitude.

CONDUCT RULES

1. Students of this school are expected to refrain from engaging in **cheating, stealing, swearing, smoking, using any form of tobacco, gambling, tattoos, drinking alcoholic beverages, sexual immorality, and any type of drug abuse.**
2. Possession or use of alcohol or tobacco is prohibited and students will be suspended on the first offense. On the second offense, the student may be expelled.
3. Students who **use or supply drugs** or controlled substances will be expelled. A student or students may be required to undergo drug testing as deemed necessary by the school administrator.
4. Students involved in sexual immorality may be expelled.
5. Romantic contact between girls and guys is not permitted on campus. This includes holding hands, walking or standing with arms around one another and kissing.

Students that have any of these devices on their person without permission DURING SCHOOL HOURS (8AM- 3:30PM) will be written up and the item will be confiscated. All electronic devices brought on campus must be turned in to the teacher at 8:00am and will be returned to the student at the end of the day. Cell phones, smart watches, or tablets may only be used before 8:00 am and after 3:30 pm. Any violations of this policy may result in the cell phone being confiscated and Service Hours being issued. Confiscated phones may only be picked up by a parent or legal guardian. First time offenders will be given grace, but for each infraction to follow a monetary fee will be applied and this fee will have to be paid before the cell phone is returned. The monetary fee will start at \$10.00 and increase by \$5.00 for each infraction to follow. Repeating offenders may be assigned PCA Service hours. Service hours can only be served before and after school or on a Saturday.

11. Students are not allowed to video or photograph teachers or another student without permission from that person. Photos, videos, etc. are not to be put on the internet without written permission of the persons involved. **(See social media section below.)**

14. There is to be no running in the halls or classrooms.
15. Students will not be allowed in the parking lot during the school day without special permission.
16. Before students are allowed to drive on campus they will be required to complete the necessary forms which can be acquired from the school office.
17. Licensed students with cars will:
 - a. Park only in designated areas.
 - b. Leave their vehicles immediately upon arrival after parking and enter assigned areas.
 - c. Observe the speed limit of 10 miles per hour in the parking lot.
 - d. Realize that a teacher or administration may search any car inside and out at any time.

Violation of these rules may result in suspended driving privileges.

18. Open soft drinks and food are not permitted in lockers, hallways, or classrooms. Water bottles are permitted in the classrooms and hallways. Planned parties by the teachers will be an exception.
19. Honesty is essential for Christian character development. Dishonesty, or cheating of any kind, will not be tolerated on daily work or exams. Not scoring daily work honestly is also considered cheating. The following academic and disciplinary actions may be taken for successive offenses each year in cheating.
 - a. **FIRST OFFENSE:** If cheating occurs, the student will receive a zero for that PACE or test and be required to re-do, and master, the entire PACE. The student will also receive Service Hours, and be required to write a three-page paper on "honesty" which will be due on the start of the next class day.
 - b. **SECOND OFFENSE:** The student will receive a zero for that PACE or test and be required to re-do, and master, the entire PACE. A conference will be held in the presence of parents, student, and administrator to discuss the seriousness of the problem and warned that the third offense may result in expulsion. The student may be suspended for two days.
 - c. **THIRD OFFENSE:** The student may be expelled from Parkview Christian Academy.

SOCIAL MEDIA/ELECTRONIC MEDIA GUIDELINES

The following definitions apply for the use of social media/electronic media for PCA:

Electronic Media/Social Media includes all forms of social media such as text messaging, instant messaging, electronic mail (e-mail), web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the internet and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram, Snapchat).

Electronic media also includes all forms of telecommunication such as landlines, cell phones, and web-based applications.

We recognize the role and importance of social media in today's student culture. We embrace and affirm social media's role in helping students socialize, evangelize, encourage, and maintain friendships over distances. Unfortunately, social media outlets (Facebook, Twitter, Instagram, etc.) also provide students with unavoidable temptations. Because of these temptations, we first and foremost encourage parents to take an active role in monitoring their children's usage and presence on social media sites.

As a secondary precaution, we ask that students adhere to the following guidelines in order to help maintain appropriate social media behavior:

1. Be responsible for your behavior and comments when communicating on social media and do not disrupt the rights of others by interfering with learning atmospheres, educational programs, or school activities.
2. Remember, you should post only what you want the world to see. Essentially, once you share something it is likely still available even after deletion
3. Be cautious when you use exaggeration, colorful language, guesswork, derogatory remarks, humor, or characterizations because it is difficult for readers to determine the seriousness of a post just by reading.
4. Students should refrain from:
 - posting inappropriate or threatening messages about or to another student, faculty member, or administrator
 - misrepresenting, criticizing, or denigrating the school or its employees in any way
 - posting explicit photographs or videos of themselves or another student. (be aware that posting explicit online photographs or videos may be viewed as a criminal act and subject to a police investigation.)

Students who chose to misuse social media may be given Service Hours, suspension, or expulsion for their actions.

Severity of punishment will be determined by the school board.

SOCIAL MEDIA/ELECTRONIC MEDIA GUIDELINES REGARDING FACULTY AND STAFF

PCA employees are not permitted to solicit or accept "Friend" requests from enrolled PCA students on any personal social media account. This includes student's accounts and PCA employee personal accounts. The only exception to this rule is in the case that a student is a family member or a member of the same organized church congregation. In the

case that an employee claims an exception not based on these terms, written permission from the parent must be provided. The written consent shall include an acknowledgement by the parent that:

- a. The employee has provided the parent with a copy of this protocol
 - b. The employee and the student have a social relationship outside of school via either family or church membership
 - c. The parent understands that the employee's communication with the student is an exception, and deviates from the school regulations
 - d. The parent is solely responsible for monitoring electronic media communications between the employee and the student.
1. PCA employees are not allowed to encourage (K-12) enrolled students to create social media accounts of any kind.
 2. All PCA employees who choose to utilize Facebook, twitter or Instagram or any other social media platform to provide classroom information to students and parents must create an approved "teacher" page. Posts must be exclusively about classroom or school activities.
 3. "Text" messaging between a student and faculty/staff member of PCA is prohibited unless used as a source of communication with the following protocol: The employee shall include at least one of the student's parents or guardians as a recipient on each text message to the student so that student and parent receive the same message.

STAFF-STUDENT RELATIONS

Employees are prohibited from establishing personal relationships with students that are unprofessional and thereby inappropriate. Examples of unprofessional relationships include, but are not limited to:

1. Employees fraternizing or communicating with students as if employees and students were peers such as writing personal letters, e-mails, or texts.
2. Texting students about personal matters without following the protocol outlined in the social media/electronic media guidelines regarding faculty and staff section of this handbook.
3. Calling students on cell phones or allowing students to make personal calls to them unrelated to homework, classwork, or practice.
4. Sending inappropriate pictures to students
5. Discussing or revealing to students personal matters about their private lives or inviting students to do the same (other than professional counseling by a school counselor).
6. Engaging in sexualized dialogue, whether in person, by phone, via internet, or in writing.

ATTENDANCE

We cannot stress too greatly the importance of your child being in school every day, on time. Regular attendance is expected of all students; however, when they are sick they should stay home from school. If a child has a temperature above normal or is vomiting, we ask that they stay home. If a child is found to have these symptoms while at school, the parents will be called to pick the child up. A child must be free of fever (without the benefit of fever reducing medication) and/or vomiting for 24 hours before returning to school. If a student is going to be absent or tardy, please call the school office as soon as possible.

We ask that every attempt is made to have students at school on time. The school day begins promptly at 8:00 am. This means students should be ready to begin class at this time, not just entering the building. Five tardies will count as one unexcused absence.

To avoid academic penalties or loss of credit, students cannot have more than 9 unexcused absences per semester. An absence is deemed excused when a doctor's note is provided to the school or when the absence has been pre-planned and approved by the administrator.

All student athletes must be in attendance the day of and the day following a game or they will be benched the first period of the next game. An exception will be made if the absence is accompanied by a doctor's note or approved by the administrator.

DISCIPLINE

Each student will be disciplined as needed with firm Christian love, according to individual needs. A student must learn to submit to authority. If a student learns to submit to teachers, parents, and others in authority, then he or she will learn to submit to God's authority in his or her own life. PCA Service Hours are the normal measures of discipline taken for behavior issues. Extra work or assignments may also be given as a corrective measure. The use of corporal punishment is an option only with the written consent of a parent or guardian as outlined below. If further discipline is needed, a student would be suspended and lastly dismissed from school. A Service Hour is given when a student receives three or more warnings in a class day. An automatic Service Hour is given for deliberate disobedience, or other inappropriate behavior. Parents will be notified with a written referral slip to sign and return the next day. Service Hours must be served the next school day unless otherwise scheduled by the administrator or special permission is requested in writing or by phone by the parent the day the Service Hour is to be served. The principal must approve. In case of excessive Service Hours (10 per semester), the parents will be notified by the principal to discuss possible solutions and any corrective action required, including suspension or expulsion from school.

CORPORAL PUNISHMENT

A parent or guardian must submit a signed statement to the administrator *each year* if he or she chooses to allow the use of corporal punishment with his or her child. A parent or guardian may revoke permission to use corporal

punishment at any time during the school year by submitting a signed statement (form located in the school office) to the administrator. Corporal punishment will be administered in accordance with the law.

If permission has been granted, corporal punishment will be administered as soon as possible after an offense and will not be administered in anger. The administrator or a designee may choose not to use corporal punishment even if the parent or guardian has requested its use. Any use of corporal punishment will be documented on a school form. An administrator or a designee will endeavor to contact the parent or guardian before corporal punishment is administered to advise them that corporal punishment will be used. Paddles used for administering corporal punishment will not be generally displayed and will be under the control of the administrator or designee. Corporal punishment will be limited to spanking or paddling and will consist of an appropriate number of strikes based upon the size, age and the physical, mental, and emotional condition of the student. Before corporal punishment is used, the school may give the student a choice between other disciplinary measures and corporal punishment.

GRADING SYSTEM

Test grades, daily grades, & spiral notebook grades determine 9 week averages. 3 test grades for each subject are required within a 9 week period with a total of 12 PACES completed by the end of the school year. Less than 3 PACES completed within a 9 week period will result in an incomplete. Parkview Christian Academy demands mastery in all subjects. Therefore, any grade below 80% is considered failing. If a student scores less than 80% on any PACE test, he or she may be required to retake the entire PACE. Incomplete grades are considered failing in regards to athletics and any athlete with a failing grade will be suspended from play.

GRADING SCALE

This is for classes taken at PCA. Transfer credits will be accepted as reported on transcript.

The Parkview Christian Academy School Board and the governing body of Parkview Christian Child Care Center are committed to the safety of students and other persons on school property. It is because of that commitment that the following policy has been put into place and added to the Parent and Student School Handbook.

To the extent that Parkview Christian Academy and/or Parkview Christian Child Care Center Administration have actual knowledge that a parent, legal guardian, or other person seeking to be present on school property or at a school sponsored activity is a registered sex offender based on an offense against a child (a person under the age of 17), **WILL NOT be permitted on the property of Parkview Christian Academy or Parkview Christian Child Care Center.** The only exception to this policy is as follows and the following procedures shall apply:

1. **Only** known registered sex offenders, based on an offense against a child, who are also **parents or legal guardians of a child or children enrolled** in Parkview Christian Academy and/or Parkview Christian Child Care Center will be permitted on school property or to be in attendance at school-sponsored activities. **No other persons** known to be registered sex offenders, based on an offense against a child, will be permitted to be present on school property or at any school-sponsored activity.
2. A parent or legal guardian to whom these procedures apply must comply with all requirements. Failure to do so generally will result in that person's losing the privilege of visiting Parkview Christian Academy and/or Parkview Christian Child Care Center or attending any school-sponsored activities, regardless of location.

For a parent or administrative conference, the person will:

1. call the campus principal and schedule a meeting before coming to the school;
2. report immediately to the office upon arriving at school and obtain a visitor's badge, as required of all visitors to the school;
3. be escorted by a school employee the entire time he or she is on campus;
4. have no access to any commons area of the building, meaning cafeterias, auditoriums, breezeways, open areas for gathering on any campus, and so on;
5. have no access to any classroom where students other than his or her child are present; and
6. be escorted back to his or her vehicle by a school employee at the conclusion of the visit.

When dropping off or picking up a child to or from school the person will:

1. call the campus principal and schedule the time of drop off or pick up;
2. pick up or drop off the child in the presence of the campus administrator or designee; and
3. be escorted back to his or her vehicle by a school employee after the child has been picked up or dropped off.

Before attending any before or after school or extra-curricular event the person will:

1. call the campus principal and state his or her intent to attend the event, no later than 24 hours before the start of the event;
2. sign in at a place designated by the campus principal upon arrival at the event;
3. sign out at a place designated by the campus principal before departing the event; and
4. be escorted to his or her vehicle by a school employee at the time of the departure from the event.

When picking up or dropping off a student at an extra-curricular activity, on or off school property, the person will:

1. contact the campus administrator and make arrangements for picking up or dropping off the student; and
2. remain in the vehicle while waiting on the student.

A parent or legal guardian who is subject to these procedures based on his or her identification as a registered sex offender because of an offense against a child is prohibited from transporting any student or child (other than his or her own child) to or from Parkview Christian Academy and/or Parkview Christian Child Care Center campus or school-sponsored activity without express written permission from the parent or guardian of the student. Any person subject to these procedures is also prohibited from working as a volunteer for the District, including but not limited to volunteering for school related activities such as booster clubs and class fund raisers.

*As used in this policy “**Parkview Christian Academy and/or Parkview Christian Child Care Center Property**” includes all property owned or operated by the Parkview Christian Academy and/or Parkview Christian Child Care Center including school campuses and buildings, athletic fields, parking lots, playgrounds, vehicles, school buses and any other properties owned or controlled by Parkview Christian Academy and Parkview Christian Child Care Center.*

*As used in this policy “**Parkview Christian Academy and/or Parkview Christian Child Care Center Events**” includes any field trip or function on or off campus, including sporting events or other school-related functions, whether before, during, or after school hours, that is (1) school-sponsored or (2) otherwise under the official supervision or control of school personnel.*

STUDENT COMPLAINTS

Students who have complaints about a staff member are to try to reconcile those with the staff member first. If not satisfactorily solved, then the student should bring the complaint to the principal in the presence of the staff member after school or at an appointed time.

COMPLAINT PROCEDURES

The following procedure is used by the faculty and taught to the children. Parents are requested to use this procedure any time there is a complaint.

1. First and foremost, go to the Father for wisdom, insight, and guidance. Bathing the entire situation in fervent prayer is a must.
2. Express it promptly. Keeping it to your self can cause ill feeling. Jesus says that we can't properly worship or serve God if there is a disagreement between yourself and someone else (Matthew 5:23-24). So get it out of your system. Express it promptly.
3. Tell it to the right person. Complaints about the school or school policy should be expressed to the principal. Complaints about teachers should first be expressed to the individual in question, and should be expressed to the principal only if you cannot work it out between yourselves.
4. Express it clearly. Make sure the person you are expressing complaints to has a clear understanding of the details of the situation.
5. Don't broadcast it. Express your complaint only to the person who needs to hear it.
6. Pray about it. Ask God to help your complaint be for the betterment of the school and ultimately to bring Him honor and glory through the situation. Consider these passages as you pray: Ephesians 4:1-3 and Colossians 3:12-13.

DRESS CODE DISCIPLINE

Any student who arrives for school in direct violation of dress code or who is offensive in dress or appearance may be sent home or asked to change.

STUDENT ID BADGE/SECURITY KEY CARD POLICY

A student ID badge and electronic security key card will be provided to every student. Just as a driver's license authorizes driving a vehicle, a student ID badge and key card authorizes a student to be on campus. Students must enter the building through the double doors closest to the school office. They will gain access to the building by waving their key card in front of the black card reader turning the light from red to green. If entering the building in a group, each student must wave their key card in front of the reader to ensure they are checked into the system.

EVERY student must wear their ID and key card at all times during the school day. Badges and key cards must be worn hanging from the neck on the school provided lanyard or clipped on the shirt collar. The front of the ID badge must remain plain and free of stickers, markings, other photos, etc. If the student ID/Key card is left at home, the student must report to the office for a temporary badge. After 3 occurrences, students will serve detention.

The only exception to this policy is the elementary and junior high students who turn their badges in to their teachers daily during school hours.

Lost, stolen, altered, damaged, and defaced ID Cards must be replaced IMMEDIATELY through the front office. Cost for replacement is \$5.00 for a new ID card and \$25.00 for a new electronic security key. Pacer lanyards are \$2.00.

The purpose of this policy is to ensure safety and security on the Parkview Christian Academy campus for the students, staff, and faculty who are on the campus each day. ID cards will help us identify students as well as trespassers. Proper identification of staff and students is a safety issue and will not be compromised.
